### A MEANINGFUL HOLIDAY

Outing with my parents, Teacher teachers and classmates

On 19th Aug 2024, I went to Botanic Garden with my classmates from Teacher. Our teacher Mrs. Teacher gave us some instructions and we will need to accomplish the mission. The mission was to take photos of various beautiful flowers, plants, and animals in the garden and create a scrapbook to remember the day. We spent the whole day exploring the garden, taking photos, and collecting information. It was a very interesting and educational experience. We also had a picnic under a big tree and enjoyed the fresh air and greenery. The garden is so beautiful and peaceful. I love it so much. I will definitely go back there again sometime. I hope you all enjoyed it too. Love, Teacher.
